Deliver Us - Salt of the Sound

```
F#                              F#
Hear the heart that is bur - dened
     F#            B/F#
As fear takes its hold
F#          C#m/E
Cries of the lone - ly
        C#m/G#       B
For the stories left untold

F#              C#m/E
Bind with my soul
     C#m/E          F#/D#
Till I am one with you
F#                        E/B
Rock of strength when I am weak
C#m             F#
Deliver come through!

F#        E        E        B
O Lord deliver us, deliver us to you
F#        E        E        F#
O Lord deliver us, deliver us to you
